

Masaryk University	
Faculty	Faculty of Science
Procedure field	Genomics and Proteomics
Applicant	doc. RNDr. David Honys, Ph.D.
Applicant's home unit, institution	Institute of Experimental Botany of the Czech Academy of Sciences
<u>Board members</u>	
Chair	prof. Mgr. Martin Lysák, Ph.D., DSc. <i>CEITEC, Masaryk University</i>
Members	prof. RNDr. Ing. Michal V. Marek, DrSc., dr. h.c. <i>Centrum výzkumu globální změny AV ČR</i> prof. RNDr. Ladislav Havel, CSc. <i>Mendelova univerzita v Brně</i> prof. Lucia Colombo <i>University of Milan</i> prof. dr. Danny Geelen <i>Universiteit Gent</i>

Evaluation of the applicant's scholarly/artistic qualifications

The applicant is the author of more than 56 papers listed by Web of Science and his H-index is above 17. The applicant authored nine book chapters and gave 22 invited lectures. His papers were cited more than 1400-times.

Conclusion: The applicant's scholarly/artistic capabilities **meet** the requirements expected of applicants participating in a professor appointment procedure in the field of Genomics and Proteomics.

Evaluation of the applicant's pedagogical experience

Teaching activities of the applicant date back to 2005. Dr Honys is teaching three courses at the Charles University (Faculty of Science), being a guarantor of two courses (World of RNA and proteins, Plant growth and development). The applicant supervised 11 and 8 bachelor's and master's theses, respectively; he supervised four PhD theses and currently is supervising four PhD students at Charles University. He is an internal or external member of doctoral boards at three universities (Charles University, Masaryk University, Czech University of Life Sciences).

Conclusion: The applicant's pedagogical capabilities **meet** the requirements expected of applicants participating in a professor appointment procedure in the field of Genomics and Proteomics.

Evaluation of the applicant as a respected and recognized scholarly or artistic figure in a given field

The applicant showed a long-term and focused dedication to the topic of pollen biology. He is one of the leading figures of pollen research in the worldwide context. Dr Honys is the author of more than 56 papers listed by Web of Science and his H-index is above 17. He is internationally collaborating with a number of research groups. He and his research groups were participating in several collaborative projects. Dr. Honys is certainly a respected and internationally recognized figure in the field of pollen biology.

Conclusion: The applicant **is** a respected and recognized scholarly figure in his/her field. The applicant **has** made a significant contribution to the development of his/her field. The applicant **constitutes** a leading figure in his/her field of scholarship or research.
